Dear User

Thank you for trying out our EasyConverter PDF to Word format program. We hope you have found it useful to convert the first three pages of any unlocked PDF document. The formatted conversion to RTF will allow you to access contents of the PDF such as text, lists, tables, and image. If you should want to access the contents of PDF documents larger than 3 pages, please visit <http://www.bcltechnologies.com/purchase/> to upgrade your copy of EasyConverter at a very affordable price.

In either case please enjoy the evaluation copy as long as you want and feel free to share it with your friends.

The BCL Team.
